

Vision Sunday 2019  
Study Questions

Personal Reflection

1) What ministries were you involved in during the past year or so?

How did you first get involved? Was it something you were particularly gifted for? Was it something you felt called to? (If you are not yet serving, are there any ministries that you are feeling attracted to? If so, what attracts you?)

2) Were there any moments over the past year that stood out to you? For example, did God work in or through you in some way? Or, was there something you were excited or deeply thankful to be a part of?

Personal Look Forward

3) In what area(s) of your life do you hope or expect God to work powerfully?

Is there a story you hope to be able to share with others about what He's done by this time next year? Is there a story in the Bible that is similar?

Reflecting on Grace

4) Which ministries of Grace do you believe were particularly successful at being the hands and feet of Jesus in our communities?

Grace Looking forward

5) What excites you most about what Grace might do in the coming year? Is there a ministry or an aspiration of our church that inspires you?

6) In what ways do you hope we might grow as a church over the coming year?

Is there a story you hope we'll be able to share with others about what He's done in/through Grace by this time next year? Is there a story in the Bible that is similar?

7) Review Matthew 22:36-40 (the great commandment) and 28:18-20 (the great commission). How do you expect to live out "Tell, Love, Go" both individually, and in the context of the groups and ministries you participate in at Grace?
